

What the world needs now is YOUR love!

That's why the Living Love Fellowship is making an independent film called

"1,000 I LOVE YOUs"

Yes, it's a 1000 people saying "I Love You" to the world. The point is to put as much love on film as we can and then give it to the world.

If you would like to participate in this project by adding your "I Love You" to the film, record yourself and/or your friends and send us the tape. Here's what to do:

- ♥ Camera angle should be straight ahead on the subject showing head and shoulders only.
- ♥ Print this page and sign the release form below. (If you are taping more than one person, each person must sign a release.)
- ♥ Film one person at a time.
- ♥ Say "I Love You" with all your heart into the camera, sending love to all those who will view this film. Say "I Love You" a few times, as many as you like, just be sure to leave a few seconds in between each one. Feel into it. Your motivation in the scene is, give it your best shot—let loose the best of your love. Don't be surprised if you get emotional—that's good! You can send us up to 2-3 minutes of tape and we'll choose the "I Love You" we like best.
- ♥ Send the original tape and the signed release form(s) to:
LLF - A Thousand I Love You's
P.O. Box 65
Gardiner, OR 97441

At our end, we will edit for the I Love You we think works best. If you have any questions, please e-mail us at mail@livinglovefellowship.org.
